

PPA0023 | 2-flute XPLR+2T concrete drill bit - L110>1000mm - SDS+ (Hanging SDS clip)

Drill bit specially designed for fast and precise drilling in concrete, breeze blocks and bricks. Its tri-zone helix and 3-zone percussion plate guarantee fast and precise starting, good dust removal and extended service life. The 160° angle of the plate allows for smooth, jolt-free drilling.

Application

Cinder Block

Stone

Brick

Concrete
