

## PPA0174 | XPLR+TCplus carbide tip drill bit - SDS+ (Hanging box)

The XPLR+ TCplus carbide drill bit is designed for serial drilling in materials such as concrete, stone, brick and concrete blocks. It is particularly suitable for building professionals (electricians, plumbers, heating engineers) for installing boxes, passing conduits or installing ventilation systems and spotlights. With a working depth of 50 mm and a wide range of diameters available, it guarantees fast and clean work, both in new construction and renovation projects.

### Application

Cinder  
Block

Stone

Brick

Concrete
